DANIEL A. MURPHY,

DONALD V. RUSSELL,

Auditors.

## REPORT OF THE SCHOOL DIRECTORS AND SUPERINTENDENT

January 30, 1951

*To the Citizens of Rutland Town:*

Your attention is called to the usual tabulations and statistical facts pertaining to Rutland Town's public school finances, enrollments, and related information, given on accompanying pages.

The fiscal school year ends each June 30th, corresponding to the annual state report, which is turned in at that time each year and upon which state aid is based. The town year ends as of December 31st, hence, one should note respective dates in studying the tables to properly evaluate figures in relation to the period of time represented.

State aid for 1948-1949 amounted to \$13,679.76 and for 1949-1950, \$13,567.44. If the average daily attendance of elementary and high school pupils remains about the same for 1950-1951, an equal amount is allowed for under expected receipts.

In 1949 a revised method was established for computing state aid. Refunds to towns depend upon good school attendance to a marked degree. Also, an upward trend in enrollments results in more funds from that source. Last year's per cent of attendance for all schools averaged 93.4%, a satisfactory score.

State aid is computed thus: \$70 each for the first 100 pupils in average daily attendance (includes high school); \$40 each for the number in excess of 100 and less than 301; deduct 5% of the total taxes of the town; add 25% of first \$10,000 of school taxes; add 15% of school taxes in excess of \$10,000 and not over \$20,000; plus 5% of the town school taxes in excess of \$20,000. Though this seems somewhat complicated, it succeeds a less understood plan adopted in 1935, and serves to function equitably for all by placing emphasis on local efforts to keep superior attendance and a minimum of local financing of the educational program.

### Transportation

This is the third school year in which the chief amount of transportation has been carried out through arrangements with the Rutland Bus Company. Routes remain the same as reported

last year. Transportation of pupils living on the Creek Road, West Road and East Road has been continued by private carrier. One or two other private carriers take care of individual cases not conveniently reached by the busses.

### Repairs and Maintenance

Early in the year your Directors and Superintendent thoroughly inspected all of the school buildings, and the findings made it necessary, under competent advice, to make many alterations and repairs to the four school buildings in order to extend the life of the several buildings, and, more important, to make them safe, comfortable and as convenient as possible for the use of the children and the teachers.

At the Haiti School storm windows were provided, ceilings were insulated, the furnace repaired, the floors reconditioned, the basement thoroughly cleaned and painted, and the exterior was completely painted.

The School District is indebted to Miss J. May Davis for her gift, which was ear-marked for defraying part of the expenses in decorating the basement at the Haiti School.

Cheney Hill School was provided with storm windows, the ceilings were insulated, an exit door was provided from the basement, including concrete steps and outside weather protection for same, the interior was washed and painted, the floors were reconditioned, a new oil heating system was installed, which permitted us to provide a much-needed storeroom in the place where wood and coal had been previously stored.

Dyer School was provided with storm windows, weather stripping for the front door, insulation for the ceilings, a new oil heating system, water pump in basement checked and repaired, floors reconditioned, eaves troughs and down-spouts repaired, and the school play-yard was enlarged and improved by levelling off the property.

Center Rutland School was completely painted on the outside, the ceilings were insulated, the floors were reconditioned, the heating system was thoroughly cleaned and minor repairs made as well as repairs to the stoker, some painting was done on the inside, the flag-pole was removed from the building and

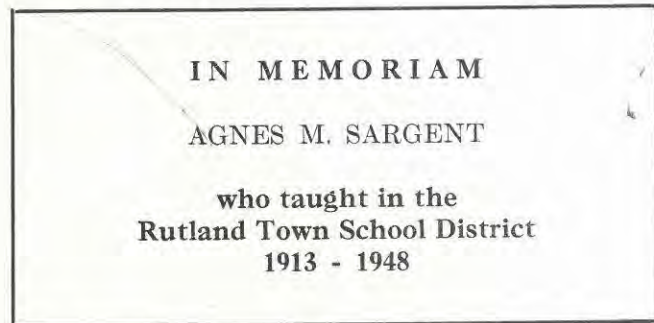

the roof was repaired. The school yard was enlarged by filling in to the property line abutting railroad property. The greater amount of fill was provided gratis by the Vermont Marble Company. As soon as the filling is completed a fence, which has already been purchased, will be set up on the south line. We are indebted to several townsmen for the giving of their time gratis in helping to improve the school yard.

The Parent-Teachers Association has given to the School District a Jungle Jim, which will be erected as soon as the school lot is ready to receive it.

The alterations and repairs mentioned above have put our school buildings into excellent condition.

#### Personnel and Instruction

Though no changes occurred in the teaching staff this current school year, several changes are anticipated by voluntary withdrawals among our teachers next year.

Even though Miss J. May Davis were to reconsider her present intentions to retire from active service at the end of the present year, every one will pay tribute to her enviable record as a public school teacher for 47 years, 38 of which have been in her community at Haiti. Her friends share with Miss Davis a mutual loss in the recent passing of her close teacher-associate, Miss Agnes Sargent, who taught 41 years before retirement, 34 of them in the Post School District.

In these times of teacher shortage and greater challenges in the demands of education, it becomes more difficult to secure successors to those who have served their communities in the manner of Miss Davis and Miss Sargent.

Instruction in the basic subject fields must now cope with related topics of the curriculum. Popular appraisal of teaching results everywhere now seem to place reading, spelling and composition in the class of neglected subjects. Through types of formal testing we have attempted to measure local results and to compare them with accepted norms covering wide areas. Our teaching in Rutland Town has shown high ratings, yet in facing popular criticisms, our supervisory aims and instructional efforts are being directed toward efforts to improve in basic subjects. This past year progress was made in textbook revisions, with more to follow.

If a part-time music instructor may be secured, it is planned to resume formal music courses in the schools.

A new state policy on assignments of public health nurses may result in some nursing service for our class-rooms.

A new electric audiometer has been used to test the hearing of all the school children. Of the 180 children tested, only five were reported for medical attention to hearing. About 8% of those tested for sight needed professional corrective measures.

#### Conclusion

It now appears that the present program of classroom arrangements, number of teachers, and transportation will be adequate for 1951-1952.

To meet expected enrollment increases by 1952-1953, it is planned to resume a survey and study of future building needs to gain classroom space.

#### Recommendations

During the school year July 1, 1950-June 30, 1951, we shall have completed all of the major repairs and alterations necessary to bring the school buildings into excellent condition. However, we are advised by a competent heating engineer that the heating system at Center Rutland School should be replaced at a very early date, due to the fact that the boiler is approximately 27 years old and is really working on borrowed time. It is the recommendation that this boiler be replaced and that we install

an oil-fired heating system. The budget for the coming year carries the sum of \$4,000, which will not only cover the cost of the new heating system but will also cover minor repairs and maintenance costs, and, we are hopeful, will permit a start in changing the present artificial lighting to fluorescent lighting in the four school buildings, which, of course, is very much desired.

To meet the budgetary demands, a tax rate of \$1.90 on the Grand Tax List is necessary.

We express our appreciation to the Parent-Teachers Association, to the teachers, to the pupils, and to all others who have contributed in any way to the successful operation of the schools.

Respectfully submitted,

MYRON J. BEEBE, Chairman  
MRS. NORMAN SPAFFORD;  
ALVA T. HOWE,  
School Directors.

FRANK O. STILES,  
Superintendent of Schools.

			\$8,664 04

## Liabilities

Respectfully submitted,

ANDREW L. ORZEL,  
Treasurer.

**VERMONT DEPARTMENT OF SOCIAL WELFARE  
MONTPELIER, VERMONT**

In accordance with established custom, we are presenting a summary of State assistance payments during 1950 to individuals applying from Rutland Town.

These payments are financed entirely from State and Federal sources except Aid to Dependent Children in which the town or city participates to the extent of 12½ percent and committed children for whom the municipality reimburses the State for one-half the cost. The cost of all programs continues to reflect the economic consequences of the devaluation of the American Dollar.

Approximately 80 percent of all welfare and assistance in Vermont is paid by the State. Vermont has proportionately fewer individuals receiving aid and smaller average payments than the National average. Ninety-six cents out of each public assistance dollar is paid to recipients and only four cents is used for administration. No other State has a better record.

Old Age Assistance	\$4,451 00
Aid to the Blind	.....
Aid to Dependent Children	\$891 00
Adult Crippled Aid	.....
Committed Children	831 56
<b>Total</b>	<b>\$6,173 56</b>

W. ARTHUR SIMPSON,  
Commissioner.

## WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland on Tuesday, March 6, 1951 at 10 o'clock A. M. Standard Time to act on the following matters, namely:

1. Shall the Town empower and authorize the Selectmen to appoint one or two Road Commissioners?
2. To choose all necessary officers required by law.
3. Shall the Selectmen act as Overseers of the Poor?
4. Shall the Town vote to raise money by tax, or otherwise, to pay current expenses of the Town, Overseer of the Poor, Highway, County, Fire Protection, if by taxes, how much?
5. Shall the Town appropriate three hundred dollars (\$300.00) to secure the use of the Rutland Free Library to inhabitants of the Town?
6. To whom and when shall the several taxes be due and payable?
7. Shall licenses for the sale of malt and vinous beverages be granted in this Town?
8. Shall spirituous liquors be sold in this Town?
9. Shall the Town authorize the Selectmen to borrow money for the temporary use of the Town?
10. Shall the Town vote to secure the services of the Rutland Fire Department?
11. Shall the Town vote to take advantage of the extra \$25.00 per mile granted to Towns by the State, provided the Town spends \$25.00 per mile of their own money on Town roads outside of winter maintenance?
12. Shall the Town vote to provide and erect a permanent memorial on the lot in front of the Center Rutland School to honor all of the citizens of Rutland Town who have served in the World Wars and whose names shall be permanently inscribed upon the memorial, and to provide through taxation a sum, not to exceed \$1,800.00 to cover the cost of the memorial and its erection, and the landscaping of the lot; and, further, to name the Presidents of Rutland Town Parent-Teachers Associations, the Selectmen and School Directors to serve as a committee to arrange for purchasing and erecting the memorial and the landscaping of the lot on which the memorial is to be erected? The cost to be pro rated on the grand list during the years of 1951-1952 and 1953.
13. Shall the Town vote a tax of 3c on the grand list to defray the 1951 share of the payment on the War Memorial?
14. Shall the Town vote to appropriate a sum equal to five cents (5c) on each dollar of the Grand List of said Town for the support of the Rutland Hospital, in the event the legal voters of the City of Rutland at their annual meeting in 1951 vote to do so?
15. Shall the Town School District vote to raise money by tax or otherwise to pay current expenses of the Schools, if by tax, how much?
16. Shall the Town School District pay tuitions for the higher education of the scholars of said District, if so, how much?
17. Shall the School Board be authorized to borrow money in anticipation of taxes?
18. Shall the School District vote a sum of money not to exceed \$80.00 for a scholarship to be awarded a worthy high school graduate of Rutland Town who wishes to enter an institution of higher learning particularly a teacher training college?
19. Shall the Town vote its officers salaries, if so, how much?
20. Shall the Town vote a sum not to exceed \$1,000.00 to match state money which is available on a two to one basis? State pays \$2.00 for each \$1.00 paid by the Town and work is to be done on the State Aid System.
21. To transact any other necessary, legal and proper business.

Articles No. 1, 4, 6, 15, 16, 19, and 21 will not appear on the Australian Ballot, and will be taken up at 1:30 P. M. The polls will close at 3:00 P. M. E. S. T.

Rutland, Vt., February 16, 1951  
Grand List \$20,159.91

R. C. BUCK,  
W. N. SHARP,  
BYRON J. HATHAWAY,  
Selectmen.
